Dear student community, apart from your academic excellence, you should actively participate in all co-curricular welfare activities inside and outside of the college. Always keep in mind that your parents, your institution and the society are observing you with great hope. So, concentrate your mind on drawing something remarkable and valuable.

Being the President of the Governing Body, I expect and encourage active cooperation as well as good bonding among the Governing Body, Teachers, Students and Guardians for materialising our dreams of the college. I do appeal to the Guardians to keep active vigilance on the activities of their wards inside and outside the institution.

Greetings from the Principal (in-charge)

Dr. Mobarok Ahmed

Principal i/c — Sontali Anchalik College

Sontali Anchalik College was established in the year 1987 with an aim to open up the doors of opportunities to acquire higher education in the economically and educationally backward region of the Southern part of Kamrup district of Assam. By selfless and relentless efforts of some visionary individuals of Sontali Mouza of Kamrup and Baguribari Mouza of South Barpeta district, it was possible to make the dreams of thousands of people of this locality into reality. As a result, the Sontali Anchalik College is now showering its light of knowledge among the community. Since its inception, the college has fervidly and persistently followed its motto of creation of a sound mind in a sound body.

It gives me immense pleasure to announce the beginning of the new academic session 2026–2027 of Sontali Anchalik College and I sincerely invite all the aspiring students to take admission into the **Four Years Degree Programme (FYUGP)** under the **New Education Policy (NEP) 2020** implemented by Gauhati University. The NEP 2020 has been implemented from the session 2023–2024 and the college is fully prepared to cope with the changing scenario.

In the illuminating words of Dr. APJ Abdul Kalam: *“We are all born with a divine fire in us. Our effort should be to give wings to this fire and fill the world with the glow of its goodness.”* — *Wings of Fire*

With deep faith and belief in ourselves, we are undaunting in the path of progress of our college with invaluable co-operation and association of various communities to achieve higher and nobler goals. I welcome all aspiring newcomers on behalf of the College family with an assurance to offer quality and value-based education at Sontali Anchalik College.
